

**TO EDUCATE
A CHILD IS TO
turn a wall into
a door.**

Our Mission

Since February 2014, we've championed underprivileged children's education. Starting with two volunteers and five students, our journey now involves 170 dedicated volunteers impacting 700+ children and 6000+ families. From one slum to a broader vision, our goal spans every Indian slum. We envision an India where education touches every corner, ensuring every child thrives academically.

Our Team

Our vibrant Vidhyadaan family, a blend of passionate youth and seasoned professionals, drives societal progress. Comprising of aspiring students in various fields and experienced experts, we unite in our commitment to this noble cause.

Recruitment involves social media, Pragmatic publicity, and personal networks, nurturing talents and dedication. Our orientation sessions impart our shared NGO vision and guide volunteers to utilize their skills effectively.

This synergy between youthfulness and expertise forms the backbone of our team. Each member contributes uniquely to our vision of empowerment through education, fostering positive societal change.

What We Do

We ignite educational awareness in underprivileged communities through immersive sessions, impactful dramas, engaging activities, and enlightening parental sessions.

Education Outreach

Every Sunday, 8-11 am, we bridge communities, bringing education to underprivileged areas. Volunteers, akin to superheroes, pave the way for students, smoothing their educational journey.

Adoption Program

We commit to supporting education by adopting children from 6th grade onward, offering comprehensive guidance until self-reliance. Selection involves meticulous IQ tests, parental involvement assessment, and ensuring conducive learning environments.

Once adopted, we cover school fees, provide coaching, and support vocational training for holistic development.

Events & Celebrations

We celebrate various festivals such as Christmas, Diwali, Friendship Day, medical camps, and a range of engaging events like film days, captivating magic shows, dance workshops, invigorating yoga sessions, storytelling extravaganzas, engaging fun activity days and organize picnics or corporate office visits with the children. These engaging events serve as a platform to enhance volunteer management skills and foster sincerity among students.

These educational events not only allow us to connect with a wider audience but also expand Vidhyadaan's reach. Events serve as magnets for youth engagement, providing enjoyable moments and valuable learning experiences. They offer a space for growth, team building, and overall development.

Literary Recognition

Renowned author **Mr. Ramesh Tanna** penned '**Mare Pan Bhanavu Chhe**', a poignant portrayal of our journey with Vidhyadaan kids. This acclaimed book, unveiled at the esteemed Shikshan Parva 2018, Talgajarada by **Shri Morari Bapu**, stands as a testament to our impactful endeavours, earning significant recognition and becoming a pivotal highlight of our journey.

Media & Awards Acclaim

Our initiative has been widely applauded across leading newspapers, radios, national TV shows, and esteemed online magazines, showcasing the widespread recognition of our efforts. We've garnered tremendous support from the local community, fostering a network of individuals and organizations dedicated to our cause.

Our impactful efforts have garnered numerous prestigious awards. Various acknowledgment stands as a significant testament to our program's effectiveness, making this journey profoundly remarkable for everyone involved.

વિદ્યાદાન

Graphical Projection

VidhyaDaan's journey, depicted graphically, showcases our growth from 3 volunteers and 5 students in 2014 to impacting over 8000 families and nurturing 50+ adopted students today. The graph maps our progress over the years ever since we started in 2014 against the expanding numbers of families & students reached in 2024. Starting humbly, the line sharply rises, symbolizing our increasing reach and influence annually. Each plotted point represents a milestone, highlighting our commitment and relentless efforts. This visual testament illustrates VidhyaDaan's transformative journey, inspiring our continued mission of educational empowerment.

Welcome to Vidhyadaan

VidhyaDaan's Volunteer Orientation is more than just information – it's an immersive experience embracing newcomers into our vibrant community. It acquaints you with our ethos, values, and initiatives, offering insights into our routine while allowing flexible involvement. Beyond logistics, it's a deep dive into our mission, showcasing diverse events and Sunday sessions driving educational empowerment. Joining VidhyaDaan means becoming a social media influencer, amplifying our cause. The orientation aims to immerse you, fostering a sense of belonging and purpose. By the end, you'll gain knowledge and a profound connection within our inclusive network, contributing step by step to education as part of the VidhyaDaan family.
